NOTES: Your testing fee will be due upon approval so I can order your belts.

Next two Wednesdays 4:30-5:30pm Oct. 4th & 11th will be sparring training and testing - Boys must wear a cup.

Sunday October 8th 3:30-6:00 extra practice for any student wanting to review before test day.

We will be doing a Bible story first and pray before we get to work.

Do not forget your introduction (Arts International) and Bible Verses written on card for each rank verse.

Come prepared with hair pulled back, Gi's ironed, no shoes, no parents, or observers.

Every student testing will stay to the end which will take several hours.

Please review the packet that you have been sent.

This is a full information packet all the way to Black Belt *so do not freak out.*

Testing does not guarantee ranking promotion, all students must know required techniques and skills per rank.

If you are not sure what you are required to know contact me and I will go over that with you and your parents.

Private lessons are available, call to book your slots. Susanne Cell:803-530-7990
